**Subject:** Fwd: Chicago sergeant saying racist comments about Laquan McDonald

[Warning: External email]

Chicago police sergeant is heard laughing about Laquan McDonald murder bragging about it being 15,000 murders since then and saying that he wish i was talking to his partner in crime right now it would be much more interesting. This is the type of humiliation, disrespect, verbal abuse, and racism African Americans go through in department Chicago police departments. This who is suppose to protect us? My heart hurts hearing him say that out his mouth. I'm terrified. This is wrong on so many levels. I'm overwhelmed of his response. Something has to be done about this. I leave it in God hands.
